**Re: OSCAR TAPERA & 11 OTHERS v PARDON GAMBAKWE & 2 OTHERS
HCH6938/22**

1. We refer to the above matter.
2. As we were about to consolidate the record in-order to have it referred to a judge we realized that a wrong case number was captured on some of the papers on record and the captured case number is **HCH6955/22** instead of **HCH6938/22**.
3. We have since written to the Registrar of the High Court requesting that he/she accepts the amendment of the case number wrongly captured on both our and your papers that are on record. Find attached letter and the Registrar's response attached hereto as **Annexures "TM1" & "TM2"**.
4. We therefore write to advise that case number **HCH6955/22** wrongly captured on some of the papers on record be replaced with **HCH6938/22**.

Yours faithfully

Re: OSCAR TAPERA & 11 OTHERS v PARDON GAMBAKWE & 2 OTHERS
HCH6938/22

1. We refer to the above matter.
2. The matter is due for setdown for Pre-Trial Conference and all the necessary papers have been filed.
3. As we were about to consolidate the record in-order to have it referred to a judge that is when we realized that a wrong case number was captured on some of the papers on record and the captured case number is **HCH6955/22** instead of **HCH6938/22**.
4. We therefore request that the Registrar allows us to proceed with the consolidation of the record and have the matter set down for Pre-Trial Conference subject to the amendment that all the papers on record with case number **HCH6955/22** be replaced with **HCH6938/22** and this amendment be accepted and the matter proceeds.
